

The Carolinas, Virginia Beach & Together 2018

Two days were at Duke & UNC, talking with hundreds of college students.

This trip had a focus to mobilize people into missions.

Much of our time was spent at youth groups - also where most of the salvations occurred

Eastern Seaboard September 21-October 15

I was a part of a revival recently on two fronts. One was the atmosphere we stepped into on the East Coast, but the other was much more organic and inward focused; it was in the lives of the Discipleship Training School students.

The schools, ministries and, events listed beneath the cities below each have a story that could fill pages. Please follow me to my website, AnthonyHuerta.blog to hear how God moved through young missionaries.

1

RALEIGH

- UNC & Duke
- Gospel Hut
- Crescent Christian School

2

VIRGINIA BEACH

- New Life Church
- Oak Tree Academy
- One Focus Conference

3

MYRTLE BEACH

- YWAM Myrtle Beach
- Hurricane Relief
- Coastal Carolina University

Together 2018

October 19-21

Together was a watershed moment for our nation - and generation - that will be pointed towards for years.

A few weekends ago 90,000 people gathered at Texas Motor Speedway to lift the name **Jesus** above every other ministry, church, and organization. There were over 60 international leaders, speakers, and artists collaborating over two days. This event has been in preparation for several years, and I have been on it since April. YWAM Tyler was fortunate to have had a place at this table of influence. We hosted a Prayer & Worship Rally at the Speedway Friday night before, which kick-started Together '18. The week leading up was slammed with rain, including Friday, but it wouldn't keep God's plan from unfolding. Last minute, we rented a 200-person banquet tent to ensure the show would go on. It was 6pm after a long, drenched Friday, the tent was up, sound & lights in place, worship set-lists adjusted, and we were wondering if anyone would show. Surprisingly, they did! Nearly 300 people crowded beneath that tent and engaged with Heaven for three hours as we worshiped and interceded for a movement centered around encountering **Jesus**

“If we want to be known in heaven and feared in hell we must be willing to lose our reputation here on Earth.”

- Loren Cunningham
YWAM Founder at Together '18

- which is why we all believed it could alter the future. The impact of Together will be unfolding for years, but on this one weekend 10,000 received prayer, there were nearly 8000 salvations & recommittals of faith, and over 3000 people came through the “Discipleship Garage” to receive resources for planting a ministry on a college campus. To watch a recap video of the weekend search “YWAM Tyler Together Generation 2018” on YouTube.

WAYS TO PARTNER IN UPCOMING PLANS

- **November 12-17, Lubbock** - We will be hosting a mini-DTS for 109 teenagers at Trinity Christian School! There are several ministry nights organized throughout Lubbock. Come join us!
- My next stateside outreach will seem duplicated in February when we head to **Florida** to take part in another national event, **The Send**; find more info at TheSend.org. The most recent outreach has provided invaluable experience to lead outreach teams during major national events. Part of our evaluation has highlighted a need to make a scouting trip to Florida beforehand. I am raising **\$500 before December 1st** to purchase a plane flight to **Orlando in January**. Please pray about meeting this need. Mailing address & website are found in the footer below. Thank you!
